Alexandria, VA 22314

Sir:

This is a supplemental response to the Office Action dated June 10, 2010 to which a response was filed on September 10, 2010. Submitted with this supplemental response is a copy of the Sequence Listing in computer readable form correcting errors in the Sequence Listing submitted September 10, 2010. These errors were made by accident and without deceptive intent. New SEQ ID No. 19 is identical to the Amino acid sequence of SEQ ID No. 1 originally filed on July 20, 2001 and new SEQ ID No. 20 is identical to the Amino acid sequence of SEQ ID No. 12 originally filed on July 20, 2001. Accordingly, the attached copy of the "Sequence Listing" in computer readable form is identical to the written sequence listing originally filed on July 20, 2001 and includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d).

After reviewing the page count of the specification and drawings, it is determined that Applicants have not exceeded 100 pages.
